

Lebanon Township News

Winter 2007/2008

December, January,
February

Best wishes to all
for a very happy
holiday season and
a healthy and happy
New Year!

Municipal Building
530 West Hill Road

Hours:

Monday – Friday
8:00 AM – 4:30 PM
Closed 12:00 PM – 1:00 PM

*Lebanon Township Recreation Commission
presents our annual ...*

A Visit with Santa
Saturday, December 1st
Valley View School
3:00 - 6:00 pm

All Lebanon Township children are invited to visit with Santa ...

All children will receive a gift ...

Be sure to bring your cameras and Wish Lists for Santa!

Please bring a non-perishable food item for the Open Cupboard Food Pantry
(Last year we collected 125 pounds of food for the pantry - can we top it this year?
It would make Santa happy!)

This event is being held in conjunction with
Lebanon Township PTA's *Make It & Take It*

In the event of inclement weather, please check our website at
www.lebanontownship.net for updates on cancellation / rescheduling.

GARDEN OF REMEMBRANCE

The **Garden of Remembrance** was established in 1988 as a lasting Memorial to the Township's long time Clerk and resident, Claire E. Weightman. The Garden was begun with a donated Gazebo and garden benches, and was officially dedicated in October 1990.

Since that time, hundreds of loved ones have been memorialized in the Garden, through memorials that are recognized by plaques hung in the foyer of the Municipal Building.

The Memorial Plaques are now being updated. If you have a friend or family member who you would like to memorialize in the Garden, please contact Eva Burrell at (908) 537-2424 or by email at tomburrell@embarqmail.com.

Fire Department

2007 Fund Drive

The Fire Department would like to thank you for your donations and let you know that every bit helps. Thank you again for your support. By the time you are reading this, our reminder mailing will have been sent. Please take a moment to look over the information and help support YOUR Fire Department.

Pancake Breakfast

The Lebanon Township Fire Department has been holding Pancake Breakfasts for over thirty years. This great tradition is held from 8:00 AM to Noon every second Sunday from October until June, at Station One on Anthony Road. The cost is \$5.00 for adults and \$3.00 for children under 10. All money raised supports the Lebanon Township Fire Department.

Directions to Station One on Anthony Road:

1. From the A&P in Califon, follow Sliker Road until it turns into Anthony Road (bear left onto Anthony). Follow Anthony Road. Watch for signs; the Fire House will be on the left.
2. From Point Mountain or Route 31, take Musconetcong River Road (Route 645) to Hollow Road. At the top of the hill, turn right onto Anthony Road. Watch for signs; the Fire House will be on the left.
3. From the Municipal Building or Hill Road, follow Red Mill Road to Newport Road. Make a right onto Newport and follow to the end (just past the Road Department Building). Turn left onto Anthony Road. Watch for signs; the Fire House will be on the left.
4. If you get lost call (908) 537-2838.

Cash Raffle

In the next newsletter, we will announce the winners of our 2007 Cash Give-away. The drawing was held on November 13 at the fire house. Please look for our 2008 Cash Raffle. Tickets will be on sale around May 15. The money will be divided in half with 50 percent going to the Fire Department and 50 percent going towards three prizes.

Fall / Winter Safety Tips

1. Smoke detectors: we have just set our clocks back and it is time to replace the batteries in your smoke detectors.
2. Do you have a fireplace? If yes, this is the perfect time to clean your fireplace and chimney.
3. Can we get to your house? Please make sure that if it is snowing or there is ice, that we can respond to your house if there is a fire.
4. Planning a fire? If you are planning a fire to burn brush, you must call (908) 689-7771 to get a permit to burn.

Junior Fire Fighters Needed

If you have a son or daughter between the ages of 14 and 18 who might be interested in becoming a Junior Fire Fighter, we'd like to hear from you. We can explain more about the Lebanon Township Fire Department and the responsibilities of a Junior Fire Fighter. Perhaps this could become a career path for your child. For more information, please call Steve at (908) 537-4454, or email smbisbee@comcast.net.

Recycling

Township Depot Continues

The Township Recycling Depot is held on the **third Saturday of each month** from 8:30 AM to 11:30 AM behind the First Aid Squad and Municipal Buildings, 530 West Hill Road. Containers (aluminum, bi-metal, glass, and #1 and #2 plastics) can be commingled. Cardboard, newspapers and junk mail/magazines should be bundled and tied separately. Household batteries can also be dropped off. Please observe the rules - we're getting a lot of plastic that is not #1 or #2.

Superbug: What You Need to Know

In today's attention grabbing headlines about superbugs attacking the population, it is hard to tell the hype for the reality.

Drug resistant organisms have their origins in the widespread use of antibiotic. Over time, certain organisms were able to develop immunity to the drugs we were using to battle them. Several superbugs have been introduced in the past two decades. These superbugs include Vancomycin-Resistant Enterococcus (VRE), Multiple Drug Resistant Tuberculosis (MDR-TB), Extreme Drug Resistant Tuberculosis (XDR-TB) and Methicillin-Resistant Staphylococcus Aureus (MRSA).

MRSA is the current superbug grabbing the headlines. In reality, only .000005% of MRSA deaths are outside the hospital setting. And yet reports of incidents in the community are growing. Staph infections have been around for centuries and many people are unknowing host. Up to 40% of the population has staph in their noses. About 30-40% of people carry some form of the organism on their bodies. Most of the time they do not suffer any ill affect even though some of these staff infections are MRSA. There is no way of telling who is infected and who is not. Staph infections are spread by skin to skin contact. The average person has a 30% chance of coming in direct contact with the organism once a day.

Most of us have watched in horror as workers in biohazard suits have disinfected school rooms. This is unnecessary given that, when the children return, up to 40% of them will be carrying staph back into the classroom. Unbelievably, the greatest way to battle these superbugs is simply good hygiene. Old fashion soap and water or alcohol hand sanitizer is the bane of the superbug. Frequent hand washing and regularly showering are the easiest ways to protect yourself, along with washing your clothes, athletic uniforms, linens and towels. Always shower after going to the gym or competing in an athletic event. Never share towels, bar soap or razors. Open wounds such as cuts and abrasions should be kept clean and covered. Always practice good coughing and sneezing etiquette. When coughing or sneezing, do so in your sleeve, not your hand.

If wounds look infected, a medical assessment should be considered. At the earliest stages, the staph infection looks like an insect bite. It can eventually look more like a pimple and grow into a boil. As the infection becomes worse, the skin will become angry and red looking. The infected person may develop a fever at this point and be in danger of having the infection spread to the rest of their system. At that point, the infection could kill you. It is important not to let any infection get this far. Getting infected with MRSA is not a death sentence. It is important to remember that despite the hype, we can cure MRSA if the infection is accurately diagnosed early and properly treated.

The Squad Needs Daytime Volunteers

The squad is looking for members of the community available to

spend a few hours with us during the day.

If you are at home during the day and would like to make a positive impact on your community, come and join our day crew. Day crew hours run from 6:00 AM to 6:00 PM. We are looking for residents who can volunteer for four to 12 hours at a time to answer the call for help in our community. In return, you will get the satisfaction of helping your community in a significant way. In addition, the squad offers free training, tuition support and a pension plan.

The Lebanon Township First Aid Squad is a private non-profit emergency medical service that only covers our township. We were founded in 1967 with the sole mission of providing emergency medical service to the community free-of-charge. Last year, we answered the call for help almost 600 times.

Please help us continue our mission by joining us now. We meet the second Monday of the month at 7:30 PM at the squad building located next to the municipal building on West Hill Road. For more information, visit www.19Rescue.org.

LTAA

Basketball Registration

Registration for our 2008 Basketball season ends December 1. Co-ed basketball is offered for participants in grades 1 through 8. The season runs from January 5 through March 15. All games are played on Saturday mornings with one weekday evening practice each week (no weekday practice for Grade 1).

Registration forms can be found at www.lebanontownship.net. Contact Commissioner Jim Miller at (908) 832-7116 for additional information.

New Board Members Needed

The LTAA Board currently has two openings. The board is looking for residents interested in filling the positions of Treasurer and Softball Commissioner. Anyone interested should contact Jim Foran at (908) 825-9273.

Bunnvale Library

Winter at the Bunnvale Library

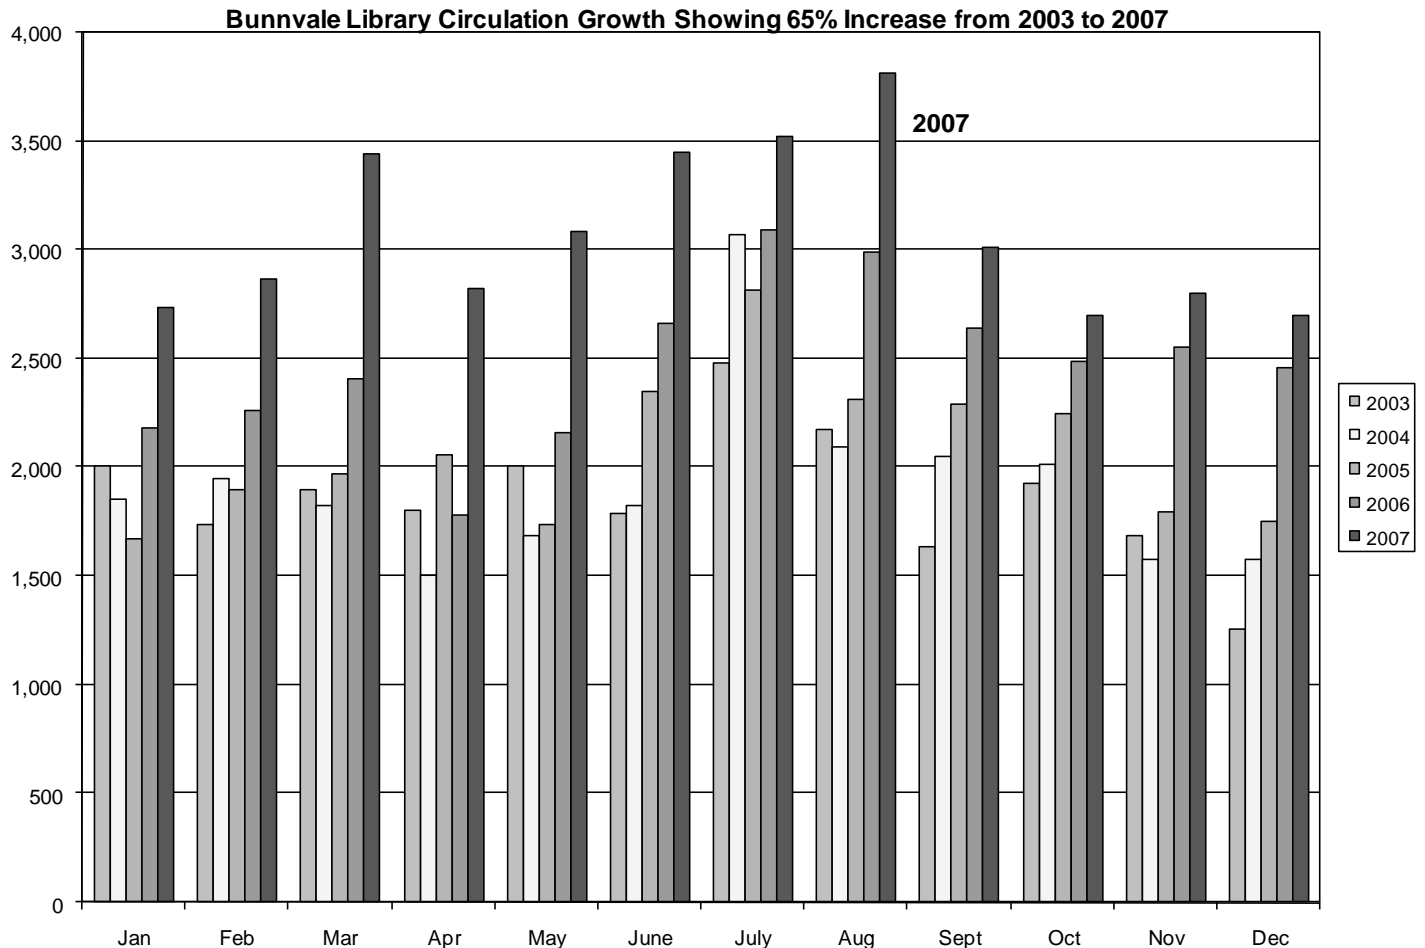

Winter is here, and it's time to slow down, rest, and snuggle up with a good book. If you want to be with people while you read, come to cozy Bunnvale Library and settle into our comfortable reading chairs. If your children have reports to do, the library has the resources they will need, from internet access computers and the library's electronic reference databases, to books and encyclopedias. For preschoolers, we have Story Time on Fridays. It's a great place for children and their caregivers to make new friends.

This November, our display case held aprons and pie plates to set the mood for Thanksgiving dinner. We will display snowmen in December, old children's books and toys in January, and sweet little things for Valentine's Day in February.

We have seen many new faces recently. We will try to learn your names and interests so we can recommend items for you.

The new on-line library HOLD system is so easy to use and the items come so quickly that our library patrons are making good use of it. Everyone likes saving gas and having their books come to a close location for easy pick up. Our circulation figures attest to this fact. Below is a graph showing how much our circulation has grown in the past four years.

If you have some free time, please consider volunteering at the library. We could certainly use some extra help to keep up with our ever-increasing workload. Library hours are Wednesday from 1:00 - 8:00 PM, and Thursday, Friday, and Saturday from 10:00 AM - 5:00 PM. Please call Marie Taluba at (908) 638-8884 if you can help out.

Memorial Park

Sunday in the Park Car Show

Dear Friends,

Many thanks to all those who participated in the eighth annual **Sunday in the Park Car Show**. Thanks to you, it was a great success. There were 210 cars, trucks, motorcycles and even farm tractors entered into the show, with \$13,500 raised in the process.

All proceeds from the show were turned over to the Park Committee for use in improving the Park.

The event could not have been a success without all our volunteers and without the generous support of our sponsors.

Thanks to all. Hope to see you next year.

Paul Spatz

Halloween Madness

Thank you

The children of Lebanon Township once again enjoyed a great Halloween celebration thanks to the combined efforts of many dedicated Halloween helpers. We appreciate everyone's contributions -- whether it was providing entertainment or providing an extension cord -- each part is vital to a successful evening. Watching the kids enjoy themselves there, and when they start the candy sorting at home, makes all the work worthwhile, yes?

Thanks again. Until next year... Boo!

Food Pantry Donations ...

Many thanks to Cub Scout Pack 92 and the families of Lebanon Township for providing 437 pounds of donated food to the Open Cupboard Food Pantry in High Bridge as a result of the food collection held during Halloween Madness.

The food drive was started as a way to remind our children to think of those in need at a time when they are receiving so much (food, fun, CANDY!). It continues to be a great success and a testament to our community's dedication to reaching out to others.

You will want to know that our delivery came at a time when Open Cupboard's supplies are quite low. The number of families they serve continues to increase. So, we were able to meet a real need in our community. Once again, many thanks to all who participated.

Collette Evanko and Liz Burns
Halloween Madness Co-Chairs

Day in the Park

The sixth annual Day in the Park was a huge success. The event, which was held on September 29, attracted over 1200 residents. It was a beautiful day with many wonderful activities for our local families. In the past, monies raised have built a children's playground and constructed a new bathroom/concession facility. The event this year raised over \$20,000 which will be used to help expand and improve a youth athletic field, and develop shuffle board and bocce ball courts. Thanks to all of those who helped to make the day a huge success!

Historians

A Look back at our Heritage ... By Ralph Lomerson Lebanon Township Historian

100 Hundred Years Ago, October 25, 1907, was Celebrated, The Opening Of the New Jersey Sanatorium for Tuberculosis Disease, On Mt. Kipp, in Lebanon Township

For many years the matter of the state of New Jersey providing for its consumptive poor had been agitated before the matter assumed concrete form in the shape of legislative enactment. It was generally recognized that a person suffering from tuberculosis in its early stages, had a great deal better chance of recovering in a well-conducted sanatorium, under the constant supervision of competent physicians, then in his own home; and more so if he was in indigent circumstances.

Accordingly, during the legislative year of 1902 a bill was passed and signed by Governor Franklin Murphy. This bill provided for the establishment of the New Jersey Sanatorium for Tuberculosis Diseases, and further enacted that the government should be in the hands of a board of eight managers, of equal political standing, and that not less than one half of the board should be physicians in good standing.

The managers were authorized to select a site and cause suitable buildings to be erected thereon. The board of managers was made a corporation, with power to sue, to manage and control the property; to appoint a superintendent, and upon the latter's nomination, stewards, matrons, assistant physicians, and nurses, and of their own volition appoint such other employees, laborers and helpers as they may deem necessary. The site selected is an ideal one for a health resort. It has an elevation of 954 feet above sea level and the air is always pure and fresh.. Land was purchased from many local land holders. One farm was owned by the Lebanon Township Committee, used as the poor farm. The farm purchased from Jos. Fritts is where the buildings were erected. About 600 acres was purchased for the Sanatorium.

In a matter of history, it might interest the reader to know that a part of the site upon which the Sanatorium was erected was for more than a century the home of Jacob Banghart and his descendants. It is believed that Jacob arrived in this country at the port of Essington (Philadelphia) about 1749. It has been a story handed down through the family that they walked by foot, north through Pennsylvania, finding the best land already taken up by earlier settlers, crossed the Delaware River into New Jersey and made their way through the wilderness to the Spruce Run area, where they found the hilly and heavily wooded countryside so much like the homeland they had left that they decided to settle here. Mr. Banghart came from Rhinebeck, Germany, and was hired as a team driver by Allen and Turner at Union Forge, carting wood, iron ore and iron, and soon acquired a team of his

own. He remained with the iron company for eighteen years. His one son, George, purchased 300 acres next to his father's land, married Mary VanBuskirk, and had 10 children. Some of the children inherited these farms and continued farming.

The buildings erected were the East Ward, the Administrative Building West Ward, and the Service Building. The Service Building is the source of all the supplies for the institution, with two large twin boilers which supplied steam for the engines and heat for the buildings, two 50 and one 25 horse power engine, each with a dynamo attached direct. These furnished light for all buildings and grounds. About 125 patients can be accommodated comfortably. On the opening day, 13 patients were admitted.

Today this is the Hagedorn Geriatric center of Mt. Kipp, Lebanon Township.

Environmental and Open Space Commission

Recycling Pays!

Recycling of common materials, such as paper, plastic, aluminum and tin, provides numerous benefits, including reducing the amount of solid waste that goes into landfills and conservation of natural resources. But, did you know the Township receives rebate money from the State based upon the weight of material that we recycle each year? Annual recycling tonnage reports are based on recycling from commercial and residential sources. This includes recyclables collected through the Township's recycling program and those that may be collected curbside bi-weekly by your local garbage hauler, such as Raritan Valley Disposal. This is just one more reason why recycling "pays"!

To find out more about this and other environmental issues in your community, please attend an Environmental & Open Space Commission meeting. Our meetings are held the first Monday of each month at 7:00 PM at the Municipal Building.

Community News

Meals on Wheels in Hunterdon, Inc. is a private, non-profit agency serving approximately 225 homebound seniors every day on twenty routes throughout Hunterdon County. We are one of the last meal delivery programs in the state of New Jersey to depend solely on volunteer drivers. In 2006, we served over 67,000 meals between all programs reaching 474 people. Our mission is to assist the homebound elderly/disabled of Hunterdon County maintain their independence by enhancing their nutritional health, thereby avoiding unwanted institutionalization.

Right now, Meals on Wheels **desperately needs volunteer drivers** in your area. Serve your homebound senior neighbors a hot noontime meal. The commitment to drive is only once a month. It will take only an hour or two once a month to get that good feeling of giving. Call (908) 735-8332 to offer your time or for more information.. Help us, help others. Many thanks.

Food Drive for the Open Cupboard Food Pantry

In response to seriously low supplies at the Open Cupboard Food Pantry, the Glen Gardner General Store has organized a Food Drive. The Food Drive will last through the end of the year.

The Food Pantry is located at 81 West Main Street in High Bridge and also includes a thrift shop run by, never enough, neighborhood volunteers. All of the proceeds from the thrift shop go to the Food Pantry. Although people have been very generous with thrift shop donations, there remains a huge demand for food and paper goods. Donations of non-perishables, canned foods, and paper goods are needed *all year round* to maintain an even flow of assistance to clients.

Donations may be brought directly to the Food Pantry or may be dropped off at the Glen Gardner General Store at 58 Main Street, Glen Gardner. Please contact Shelly Baluta at (908) 537-2319 for additional information.

Thank you all for your kind efforts. Many of our neighbors will benefit from your generosity.

Community News (cont.)

Lebanon Township Education Foundation Playground Fund Grows

The Lebanon Township Education Foundation (LTEF) is currently raising funds to construct a new playground near the baseball fields at Valley View School and to construct a fun "fitness course" at Woodglen School. The first project will be the Valley View playground, which will cost approximately \$150,000. At Back to School Night in September, the LTEF reported over \$16,000 in the playground fund. The playground committee is pleased to share that, thanks to the support of many families in the community, our playground coffers are growing! The "stars" sold at Back to School Night raised \$250; we have received private donations of more than \$600; our golf outing at High Bridge Hills golf club raised approximately \$9,000; food concession at Halloween Madness raised about \$500; and we have received an anonymous sponsorship of our largest piece of playground equipment, the school age climbing structure, for \$32,000. These contributions have boosted our playground fund to over \$58,000!

Additional equipment sponsorship opportunities are still available:

- School Age Space Station -- \$3,000
- Preschool Jeep -- \$3,000
- Preschool Playhouse -- \$5,000
- Gazebo -- \$5,000
- School Age Swing -- \$6,000
- School Age Spinning Dish -- \$13,000
- Preschool Play Structure -- \$15,000

The LTEF, a non-profit group dedicated to improving education for all township residents, would like to thank the community for their continuing support. Working together, we can provide Lebanon Township school children with safe, stimulating outdoor play environments that help them develop physically, socially, and intellectually.
