## From the Deputy Clerk

\*\*\*\*

### ATTENTION DOG OWNERS

### IMPORTANT NOTICE

\*\*\*\*

**Anyone registering or renewing a dog’s license must provide a valid, current EMAIL address. It is critical for future information that will be provided to dog owners.**

State Statute requires that owners of all dogs seven months of age or older are required to annually apply to the licensing clerk of the municipality in which he or she resides for a dog license. In order for the license to be issued, the owner must present proof that a licensed veterinarian has vaccinated the dog against rabies and that the duration of immunity from that vaccination extends through at least ten months of the twelve-month licensing period. An exemption to the rabies inoculation requirement shall be granted if the owner presents written certification from a licensed veterinarian that the dog cannot be vaccinated due to a medical condition or course of therapy.

If you have recently moved into the Township or adopted a dog, an application for licensing your dog can be found on the Township website at [www.lebanontownship.net](http://www.lebanontownship.net) under Departments / Clerk/Deputy Clerk, or you can come into the Municipal Building, Monday - Friday, 8:00 am to 4:30 pm to register your dog. Please bring a current rabies certificate and payment by cash or check of \$14 for an unaltered dog or \$11 for a spayed or neutered dog. Checks should be made payable to Lebanon Township Dog Account (LTDA).

Anyone who has not renewed their pet’s license for 2018 is subject to late fees and possible court summons. All dog licenses are renewable in January of the current year.

If you need more information or have any questions, please call Kim at (908) 638-8523 x10 or send an email to Kim at [deputyclerk@lebtwp.net](mailto:deputyclerk@lebtwp.net).

### Mystery of the “Young Ball Player” From Woodglen

The Historians received an inquiry recently from an art collector in Massachusetts who has in his collection, this beautiful oil on canvas painting of an unknown man wearing the Woodglen baseball uniform (pictured at right, top). The painting was done by artist James Ormsbee Chapin in 1933. Chapin lived on Woodglen Road in Lebanon Township with his wife Mary, who had a dress shop connected to the house.

The painting was acquired about twelve years ago from an art dealer in Woodstock, NY. Up until then, the painting remained in the artist's possession for his entire lifetime. In 2015, it was the cover photo for *American Art Review* and the painting at that time was exhibited at the Northern Arizona University Art Museum in Flagstaff. Over his lifetime, the artist made changes to the original composition, as was his habit. That painting appeared in a 1940 *Time Magazine* article on Chapin's 1940 retrospective exhibition in New York (pictured at right, bottom). Here you can see how different it looked. Over time, it's believed the artist decided to make his work look more “universal”, eliminating the detail of the dugout behind the ballplayer.

The owner of the painting reached out to the Historians with hopes of learning more about the Woodglen baseball team. In addition, we would all love to identify the “fair-haired” ball player in the painting. The Museum has, in its collection, a beautiful wool Woodglen team uniform from 1932 donated by Alice Apgar (pictured below). What we don't have is much information on the team itself. Where did they practice? Who was on the team? If you have knowledge of the Woodglen team, we would love to hear from you. Please send us an email at [museum@lebtwp.net](mailto:museum@lebtwp.net). You get bonus points if you recognize the player!

Read more about artist James Ormsbee Chapin and his painting *Young Ball Player* at <https://www.paintingtheamericanscene.com>.

## 20-Year Anniversary of New Hampton's National and State Historic Registers Designation

To honor the 20-year anniversary of New Hampton being listed on the State and National Registers of Historical Places, the Lebanon Township Historians offered two walking tours in October to acquaint people with the historic district. The celebration started at the Lebanon Township Museum with an introduction to the district, followed by the tour. Historical consultant, Dennis Bertland, who researched and wrote the original application for the district, led the first tour. He shared his knowledge of the architecture of each house and history of the area. The 25 homes that fall within the historic district were built between 1730 and 1870. Historian Nina Savoia led the afternoon tour dressed in period clothing. She was part of the original group of residents who gathered in the 1980s to help preserve and acknowledge the historical significance of New Hampton.

Brochures of the historic district are available at the Museum. Stop by, pick one up and take a self-guided stroll down Musconetcong River Road. We think you'll find that this quaint village, rich in history and character, has changed little since the mid 1700s!

### Museum Loses Longtime Curators to Retirement

The Township of Lebanon Museum will soon lose two of its most important treasures. Curator Joan Lucas and Assistant Curator Deanna Kinney will be retiring at the end of 2018 with more than 50 years of combined service at the Museum.

The Museum has flourished under Joan and Deanna's direction. Throughout the years they have offered summer craft classes for Lebanon Township children, adult craft classes, lectures, art and photography exhibits, bi-monthly collections and exhibits, an annual quilt show and a variety of other activities.

They have created a friendly, open space and will be sorely missed by museum visitors who often stop by to chat, share a memory or check out the newest display. We are incredibly grateful for their decades of thoughtful service. Please join us in congratulating Joan and Deanna for their dedication to the Township of Lebanon Museum. Please stop by and wish them well before the end of the year!

## Education

The Lebanon Township PTA (LTPTA) is working hard to "Build Our CommYOUity." We provide enrichment beyond the classroom curriculum by funding activities and events like book fairs, holiday shop, author visits, theater week, talent show, open gyms, school dances, staff appreciation, assemblies, 8th grade dinner dance, 4th grade farewell, and much more. By supporting the LTPTA, you are supporting your school and your children.

Any local resident, at least 18 years of age or older, with an interest in supporting our schools, whether you have school-aged children or not, is welcome to join the PTA. By becoming a PTA member, you can connect with other parents, learn about important news and upcoming events, and have a voice in the programs we support. Dues are \$10 annually and you can download the membership form from our web site or register online at <https://lebtwppta.memberhub.store>. A portion of your membership dues also supports the National PTA and the New Jersey State PTA, which create policies that support the educational needs of children and promote family engagement and strong partnerships between schools and the communities they serve.

Throughout the year, we raise money through membership, fundraising and donations. To find out about upcoming events and fundraisers, like us on Facebook ([www.facebook.com/LTPTA/](http://www.facebook.com/LTPTA/)) or visit us on the web at <http://lebtwppta.org>.

### **Exchange Zone Created for Safer On-line Transactions**

In September, the Township Committee adopted Ordinance No. 2018-08: AN ORDINANCE CREATING AN "EXCHANGE ZONE" FOR INTERNET BASED TRANSACTIONS AT THE LEBANON TOWNSHIP MUNICIPAL BUILDING. The Exchange Zone, located in the municipal parking lot at 530 West Hill Road, is intended to create a safe place for residents to complete in-person, private transactions from on-line marketplace sales and exchanges. The parking lot is lighted and under recorded video surveillance 24 hours a day, 7 days a week.

Private exchanges of motor vehicles, weapons, illegal substances or items that do not fit in a 10x10 parking space are not permitted and the township will not provide township employees or police personnel to witness transactions. The Township encourages all persons to engage in such transactions in daylight hours only; to bring a cell phone along in case of an emergency; to notify friends and/or family of the intention to meet to conduct such a transaction; to never invite strangers to their home or agree to meet at a stranger's home; and to reconsider any transaction with someone who refuses to meet at the Municipal Building Exchange Zone. The complete ordinance No. 2018-08 can be found on the Lebanon Township website at [www.lebanontownship.net/government/committees/township.aspx](http://www.lebanontownship.net/government/committees/township.aspx).

### **United Way of Hunterdon County's Holiday Hands Program Brings Holiday Cheer to Neighbors in Need**

*"Thank you for making my family's Christmas brighter and warmer. This year has been rough for our family."*

The generous support of our community ensures that United Way of Hunterdon County is able to give this family, and more than 2,700 of our neighbors, a brighter holiday season.

Did you know it costs about \$81,000 for a family of four to barely get by in Hunterdon County? And that doesn't include extras like a night at the movies or holiday gifts. Hunterdon County's high cost of living makes it increasingly difficult for low-to-moderate income families, elderly residents and others with special needs to make ends meet.

Getting involved in Holiday Hands is easy. United Way will match individuals or organizations with a family and/or individual and provide their wish list. Unwrapped gifts and/or gift cards are brought to the United Way of Hunterdon County's office by December 5, 2018. Gift cards are always needed.

If you, your family, company or organization are interested in learning more about adopting a family or volunteering this holiday season, please contact Amy at (908) 237-1689 or email [holiday@uwhunterdon.org](mailto:holiday@uwhunterdon.org).

Every individual deserves the opportunity to thrive. United Way of Hunterdon focuses on poverty prevention, financial empowerment and advocacy to create positive change in our community. Visit [www.uwhunterdon.org](http://www.uwhunterdon.org) or follow them on Facebook and Twitter. United we all win.
