

You're Invited to the 1st Annual Lindsey Joy Smillie Golf Tournament

Wednesday, September 27, 2017

benefitting
OCRFA
Ovarian Cancer
Research Fund Alliance

Lindsey Joy Smillie was diagnosed with ovarian cancer on July 7, 2016. Before she ever knew she was sick the cancer had aggressively taken over her body. With great bravery, a never-ending sweet soul, passion, hope, and pure faith she fiercely fought the battle without ever giving up.

Lindsey was ALWAYS giving and loving to others. Even in her final days she tried comforting those around her.

In honor of our sweet Lindsey and to have her live on through us we are making it our mission to educate women and family members of the signs of ovarian cancer. In addition, we are raising money to further research so that others do not feel the loss that we all carry.

Come be a part of our mission on September 27, 2017.

\$165 per golfer. (Includes green fees at High Bridge Hills Golf course, a cart, a breakfast snack and a BBQ lunch. It also includes the chance to win many awesome prizes and an awesome Silent Auction that you don't want to miss.) Or come for **lunch** and the silent auction for **\$27**.

Registration and Payment must be sent by August 15, 2017

Email or call to register: Paula Smillie (908) 334-7375 or email OurAngelLindz@yahoo.com
